- Train tomorrow's conservation leaders through excellence in field programs, applied conservation education, teacher training, and professional enhancement;
- Continue a century-long commitment of strengthening the hunters' role as a conservationist.

Please make a special commitment to protect and conserve the future of our hunting and wildlife heritage by becoming a Boone and Crockett Conservationist today. Visit our web site at www.booneandcrockettclub.com or call 406/542-1888.

KEN DAVIS Lifetime Associate #67

"As an organization, the Boone and Crockett Club's very uniqueness is what has made it so successful and has enabled it to flourish for more than a hundred years. The dedicated and personal involvement of the members in doing the work of the Club, coupled with a deep commitment to the conservation of our wildlife and a strong leadership vision, are the core values which have empowered the Club to become the principal champion of the perpetuation of our Wildlife Cultural Heritage.

That is the reason why Kathy and I have chosen to include the Boone and Crockett Club Foundation in our annual charitable gifts."
